Volunteer Application

Springdale Animal Services' mission is to provide shelter and care to the thousands of stray, abandoned, abused and neglected animals in need every year. We reunite lost pets with their owners and place many that are homeless in forever homes. We are also responsible for humane disposition of feral, vicious and sick injured animals. We strive to ensure the welfare and public safety of our community and its animals through education of our citizens and enforcement of our ordinances. We promote spaying/neutering all domestic animals at the earliest appropriate age, to reduce their overpopulation.

Orientation and training through Springdale Animal Services are required for participation in our volunteer program. All potential volunteers will be interviewed prior to placement in areas of interest. If you agree with our above stated goals and are willing to be interviewed and trained, we encourage you to complete and submit this application.

Areas of Interest

Please mark your volunteering preferences in order with 1 being your first choice, 2 being second and so on. If you are not at all interested in some of these areas, please mark those with an X.

_____ **Adoption Events:** Take a dog to adoption events and bring them back to the shelter. Speak for the dog to tell his/her story to prospective applicants. It is helpful if you have some dog experience and can read a dog's behavior.

_____ **Dog Walking/Socializing:** Help the dogs get outside their kennels for exercise and people playtime. Train dogs for good manners and basic obedience such as sit, stay, walking on a leash. This requires successful completion of Safe Shelter Animal Handling portion of Volunteer Orientation and strong attention to detail.

_____ **Dog Grooming:** Make the dogs more presentable and/or prepare them for events; Give baths, brush dogs, trim nails...spend quality one-on-one time with them. This requires successful completion of Safe Shelter Animal Handling portion of Volunteer Orientation and strong attention to detail.

_____ **Cat Socializing:** Help cats with human interaction by petting and playing with or them. This requires successful completion of Safe Shelter Animal Handling portion of Volunteer Orientation and strong attention to detail.

_____ **Cat Grooming:** This can be part of socializing as well since you do spend quality time with them. Clipping nails, combing, bathing (rare, but occasionally this is a necessity).

_____ **Humane Education:** Assist in bringing humane education into schools and community programs; teach concepts of empathy and respect for all forms of life. Desired skills include public speaking, teaching, writing and working well with diverse groups.

_____ **Fundraising/Special Events:** Help with programs and events throughout the year. If you are creative, organized, willing to work hard and know lots of people around town, this is the place for you! You will need to be committed to evening planning meetings for several weeks / months prior to the event. Dedication and attendance are needed on event day.

_____ **PetSmart Cat Adoption Center:** We rotate 2 week intervals with other rescues or shelters. Help here consists of cleaning the cages and adoption area, making sure food and water is sufficient, exercising cats (playing). Also, discussing/interviewing adoption candidates is a large part of this area.

Volunteer Agreement

As a volunteer of Springdale Animal Service, I agree to:

- Never strike, handle or treat an animal in such a way that it could be construed as rough or abusive. I will always exercise compassion and care with the animals.
- Hold absolutely confidential all information that I may obtain, directly or indirectly, concerning clients, animals, volunteers and staff. I agree not to seek to obtain confidential information from a client. I understand that intentional or unintentional violation of confidentiality may result in disciplinary action, including termination by SAS and/or possible legal action by others (e.g. clients, customers).
- Become familiar with SAS policies and procedures and uphold their philosophy and standards. I will seek clarification from staff whenever necessary.
- Adhere to SAS policy of not taking pictures on SAS property unless approved by the Animal Services Director and only for the purposes of Petfinder.com, not to be used for any other promotional material, and not interfacing with members of the media unless otherwise instructed by SAS Director.
- Be punctual and conscientious, conduct myself with dignity, courtesy and consideration for others, and strive to make my work professional in quality.
- **Maintain respect for staff members who must perform euthanasia by avoiding questioning and condemnation concerning individual animals or making negative remarks. This behavior is extremely detrimental, both to the morale of the staff and to the reputation of the shelter. Shelter staff members are asked to take the utmost care of the animals and then are asked to euthanize. This stress is unlike any stress found in other environments. It is unfair and unacceptable, but still must be done. *Guilt from performing this task should not be placed upon our staff members, but upon our society.***
- Carry out my assignments in accordance with SAS training and seek assistance from the staff whenever necessary.
- Limit my activity to my assigned work area unless otherwise directed by Animal Services staff.
- Adhere to the policies stated in Dog Walking 101 and other instructional documents provided by SAS.
- Communicate any job related problems, concerns, differences of opinion, conflicts or suggestions only to the Animal Services Director.
- Adhere to sign-in procedures and wear nametag at all times when at the shelter or otherwise representing SAS.
- Notify the volunteer coordinator when and if I choose to discontinue my volunteer service with SAS.

I understand that Springdale Animal Services reserves the right to terminate my volunteer status as a result of any of the following:

- Any abuse or mistreatment of an animal.
- Failure to comply with organizational policies, rules and other regulations.
- Unsatisfactory attitude, work or appearance.
- Any other circumstances which, in the judgment of the Director, would make my continued service as a volunteer contrary to the best interest of SAS.
- Disrespecting staff.

I have read and understand each of the above conditions. My signature below indicates that I agree to comply with them.
